“Baby Got Back”, also known as “I Like Big Butts”, is a hit rap song written and recorded by American rapper Sir Mix-a-Lot, from his album Mack Daddy. The song samples the 1986 Detroit techno single “Technicolor” by Channel One. This is a translation of it.

Translation

Here, we have it translated into Latin by [Quislibet](#). There was additional support and clarity offered by [Ukelele](#). I have found it hilarious, and thus have reprinted the translation here. Enjoy.

De clunibus magnis amandis oratio
Mixaloti equitis

mehercle!
(By Hercules!)
Rebecca, ecce! tantae clunes isti sunt!
(Rebecca, behold! Such large buttocks she has!)

amica esse videtur istorum hominum rhythmicorum.

(She appears to be a girlfriend of one of those rhythmic-orator people.)

sed, ut scis,

(But, as you know)

quis homines huiusmodi intellegere potest?

(Who can understand persons of this sort?)

colloquuntur equidem cum ista eo tantum, quod scortum perfectum esse videtur.

(Verily, they converse with her for this reason only, namely, that she appears to be a complete whore.)

clunes, aio, maiores esse!

(Her buttocks, I say, are rather large!)

nec possum credere quam rotundae sint.

(Nor am I able to believe how round they are.)

en! quam exstant! nonne piget te earum?

(Lo! How they stand forth! Do they not disgust you?)

ecce mulier Aethiops!

(Behold the black woman!)

magnae clunes mihi placent, nec possum de hac re mentiri.

(Large buttocks are pleasing to me, nor am I able to lie concerning this matter.)

quis enim, consortes mei, non fateatur,

(For who, colleagues, would not admit,)

cum puella incedit minore medio corpore

(Whenever a girl comes by with a rather small middle part of the body)

sub quo manifestus globus, inflammare animos

(Beneath which is an obvious spherical mass, that it inflames the spirits)

virtute praestare ut velitis, notantes bracas eius

(So that you want to be conspicuous for manly virtue, noticing her breeches)

clunibus profunde fartas esse

(Have been deeply stuffed with buttock?)

a! captus sum, nec desinere intueri possum.

(Alas! I am captured, nor am I able to desist from gazing.)

o dominola mea, volo tecum congregari

(My dear lady, I want to come together with you)

pingereque picturam tui.

(And make a picture of you.)

familiares mei me monebant

(My companions were trying to warn me)

sed clunes istae libidinem in me concitant.

(But those buttocks of yours arouse lust in me.)

o! cutis rugosa glabraque!

(O skin wrinkled and smooth!)

dixistine te in meum vehiculum intrare velle?

(Did you say you wish to enter my vehicle?)

in arbitrio tuo totus veni

(I am entirely at your disposal)

quia non es mediocris adsecula.

(Because you are not an average hanger-on.)

vidi illam saltantem.

(I have seen her dancing.)

obliviscere igitur blanditiarum!

(Forget, therefore, about blandishments!)

tantus sudor! tantus umor!
(Such sweat! Such moisture!)

vehor quasi in curru quadrigarum!
(I am borne along as if by a four-horse chariot!)

taedet me in diurnis legendi
(I am tired of reading in the gazettes)

planas clunes gratiores iudicari.
(That flat buttocks are judged more pleasing.)

rogate quoslibet Aethiopes: responsum erit
(Ask any black men you wish: the answer will be)

se libentius expletiores antepone.
(Rather that they prefer fuller ones.)

o consortes (quid est?) o consortes (quid est?)
(O colleagues [What is it?] O colleagues [What is it?])

habent amicae vestrae magnas clunes? (certe habent!)
(Do your girlfriends have large buttocks? [They certainly have!])

hortamini igitur ut eas quatiant (ut quatiant!)
(Encourage them therefore to shake them! [To shake them!])

ut quatiant! (ut quatiant!)
(To shake them! [To shake them!])

ut quatiant illas clunes sanas!
(To shake those healthy buttocks!)

domina mea exstat a tergo!
(My mistress stands out behind!)

[Etc.]

Adventures Exploring the Cemeteries of Indiana

Cemeteries can tell us a lot about ourselves, our history, and our future. This is most especially true in regards to smaller and remote cemeteries located in the counties that surround us. This is my story about the impressions that my forays into these curiosities made upon me.

What it was like being a kid in the early 1970's

This is my narrative of what it was like growing up as a young teenager in 1971. This took place in the hills of Pennsylvania outside of Pittsburgh. I was 13 years old. I went to school, rode my bicycle around everywhere. I fished with my father, and watched television a lot.

The Fiasco of the Reengineering of the Common Tomato

This is the sad, sad story about how the wonderful and tasty tomato was reengineered to be "better". It was made better to ship. Better to sell. Better to store. However, there was one thing missing. No one paid any attention to taste, which is why it tastes like a cardboard shipping box today.

A Movie Tribute to the 1980's When Ronald Reagan Ran

America. Here we argue that movies reflect society when they were made. Today we see popular movies being remade as all female versions due to the progressive realities today. Likewise, the movies of the 1980s reflected the time when they were made as well.

Mad Scientist Explorations

Here we discuss what it was like growing up as a boy in the 1960's and the 1970's and the people, things, and adventures that inspired us. As such, we explore how the independence of growing up enabled us to cope through life when we got older.

The Gorilla Cage in the Basement

When I was a small boy, I used to play in the abandoned buildings nearby. Here is a story about one of the objects that lay hidden inside one of those buildings and the possible mysteries that it held. As a child we thought it was a gorilla cage, now as an adult, I am not so sure...

There is nothing more important and satisfying than spending time together with friends and family and eating a meal together. It is a time of friendship, familial bonding and relaxation. Here we discuss what I have learned from my childhood and how I apply it today in my life.

The Pleasures of Fresh Baked Bread with Butter

One of the things that I have come to miss, since I moved to China, is fresh hard crusty rolls with full salted butter. The Chinese are not really fans of crusty bread. They like sweets and sponge cakes. Here I describe something that is close to me; not appreciating what you have right in front of you.

Learning during my 1970s High School years

Here is a pretty long post on what it was like to go to elementary school in the 1960's, and then attend high school in the 1970's. I graduated in 1977, and that my friend is exactly the target date for the famous movie "Dazed and Confused". Here is the real deal what it was like.

Some True Stories of Cat Heaven

Being in MAJestic taught me many things. One of which was an intimate understanding of Heaven and other “spiritual” things relative to quanta entanglements. Here I discuss what it is like to have a beloved animal (cat) dies and what actually happens to them and why.

Life Lessons from Working within the Corporate Dream – 1

After I was trained by MAJestic, I was left to fend for myself in Corporate America. It was a hellish existence. As such, I learned many lessons concerning behavior and the ultimate impact that it holds on our families, our friends, our loved ones, and our very lives. Here are my commentaries.

Life Lessons from Working within the Corporate Dream – 2

This is part two of the two part section. There is quite a lot of information to impart. Stories are told, and experiences relayed. Honestly working in corporate America in the 1980's, through the new century really sucked. It was harsh on everyone except the owners of the companies.

How to Build Up Your Life from Nothing.

This is for all those young men who are just leaving school and trying hard to build up their life. You can do it. Here are my thoughts and advice for a young man who is encountering that most difficult of challenges; carving your life out in the wilds of the world.

Allow your Children to Play and Grow (Part 1)

I am horrified, just horrified, that parents do not allow their children to play, roam and explore on their own. It has created a society of pampered fearful children. Here I discuss this in terms of what I know. This is very non-PC and might offend the more liberal readers out there.

Allow your Children to Play and Grow (Part 2)

This is the second part of my rant about permitting children to play, explore and have fun. Everyone, the odds that some stranger will abduct your child is very small. Most people who do this are family friends and neighbors. Stop being so fearful. It harms the development of your child.

Ode to Diabolical Cretin John McCain

Well, that evil son-of-a-bitch is finally dead. If his grave wasn't so far away, I go there and dance on top of it. This guy has spent his life backstabbing people, hurting people, concocting wars, and doing everything in his power to disrupt the lives of people. Good fucking riddance.

The Song "Baby Got Back" Translated into Latin

Here is a fun post. The song "Baby Got Back" is translated into Latin and then back again. I have to tell you that it is indeed hilarious. *Rebecca, ecce! tantae clunes isti sunt!* (Rebecca, behold! Such large buttocks she has!) Anyways, it's just all fun and games. Enjoy.

Every Man Should Have a Roll-Top Desk

It's true, and I discuss why. A roll-top desk is made for the person who accumulates the clutter of the road as they forge their way through life. The desk becomes a symbol and a place for a man's privacy. It is a place where he has control over his life, and a place to store his treasures.

Why Women Need their own Personal Makeup Vanity Space

I am a strong believer that everyone needs privacy and a personal space to call their own. In this post I discuss the need for a woman to have a vanity and why it is important for a woman to spend time using it. Everyone, regardless of their situation, needs a place that is all theirs and theirs alone.

What the Progressive Liberals have in store for Conservatives

The progressive socialists, who now go under the name of "Liberals", have plans on the consolidation of their power and control. This is what their ultimate plans are. It does not bode well for traditional American values, Rights, the Constitution, or history. It's going to be a dangerous time.

The Warning Signs that Government Collapse is Imminent

All nations go through cycles. They do so, and when they mature they evolve into other governmental forms. The United States is long overdue for a change; a reset. Now, while this will occur, it is unknown how severe it would be. Here are my thoughts on this issue and some warnings.

Democrat Busybodies and the Destruction of Freedom

Wouldn't life be wonderful if you could just be left alone and live your life in peace? I think so. The founders of the United States thought so, however there is an army of busybodies who disagree. They have this vision of utopia where everyone listens to their commands.

Adventures of a 70's Kid in an Army And Navy Store

Here we look at what adventures an Army and Navy store could hold for the inquisitive child. We talk about the history and the inherent adventures that lay hidden in dusty boxes, and dark corners. We narrate the exploration through the eyes of nostalgia. It's a pleasant excursion.

Comparison between American and Chinese Playgrounds

The differences between American and Chinese playgrounds couldn't be more telling. It is a tale of how things are handled differently and the roles that parents take. In China the role of the parent is to equip the child for life. While in America it is to protect the child from life.

Excuses We Use That Keep Us Enslaved

Here we look at what an American *actually* is. For the argument made here is that citizenship in the United States is not what qualifies a person to be an "American". Rather it is the way a person thinks, the way they act, and their general philosophy in life. For not everyone is an American.

More Posts about Life

I have broken apart some other posts. They can best be classified about one's actions as they contribute to happiness and life. They are a *little different*, in subtle ways.

On Being an Older Gent

Here are my thoughts on growing old as a man. The truth is that the life that I expected to have as I was growing up never materialized. Instead, something else manifested. My life today is nothing compared to what I thought it would be. For my illusions were created by American media.

Be Who You Are

All our lives we are told who to be, what to do, what career to take. Our religion, our work, our schools, our government, and our loved ones all tell us what we need to do. Here, I tell you the opposite. Stop allowing others to tell you what to do. You know what you need inside of you.

Calexit and the American Civil War

This is a pretty detailed look at the causes of the American civil war, and why it wasn't about slavery. We look at the rewriting of history by the internet, and the efforts that President Obama took to keep California intact so that the Democrats could maintain political power and control.

Why an American man should leave America and Travel

All people should get up off their duff and go forth and Travel. However, this is most especially true for American men. The United States has become a crucible of PC progressive realities that attack and depreciate American men. Go out, young man, see the world as it really is!

The Amazing Bremelanotide PT-141

Forget Viagra, and all those other ED medications. This is the real deal. This little baby causes humans to *go into heat*. It interacts with the brain and sets up feelings of intense arousal on both men and women. It turns people into 16 year olds. As such it is banned in the USA by the FDA.

Bronco Billy and the 25th Law of Power

The r/K Selection Theory applied to American Politics

The r/K theory is a pretty well-known theory on animal behavior. It simply states that animals behave as they need to based on the scarcity of resources. Here, we argue that it can be applied to why humans follow different political philosophies. Especially in American politics.

How they get away with it

Ten years ago, Bankers committed fraud in Wall Street that just about devastated the nation. Earlier, we had the S&L fiasco, the nightmare with penny stocks, and now the grand wholesale treason with the selling of Top Secrets to a foreign nation. This is how they get away with it.

The Line in the Sand – Now What?

It's the same story. Just vote for us, and we will correct everything. Yet, nothing ever happens. You know, boys and girls, this old "song and dance" can only be maintained for so long. Eventually it will fracture, and people will no longer rely on elections to institute change...

The importance of having a second passport.

So President Trump is building a wall to protect Americans. Hum. Where have I heard that before? Oh yes, in Germany right when they were making the wall that separated Berlin. Walls serve two purposes; they keep people out, but they also keep people in. Be careful what you wish for.

How Rocket Scientists Build Paper Airplanes

This is a tale of what me and my classmates used to do when we were young Aerospace Engineering students at the university. We would design paper airplanes and shoot them down with bottle rockets. Here is just a fun little exercise down "memory lane". Enjoy.

What is Snopes.com and can it be Trusted?

Snopes is a "fact check" website that is fully funded by the oligarchy. It is used to "shout down" any narratives that does not support the rich and powerful, and politically connected globally. Here we discuss the organization, who they are and what they represent.

Today America Taxes it's Expats without Representation.

This is a sad state of affairs. Americans who reside outside of the United States now have to pay American taxes, even though they have no representation in Congress. As I recall this was one of the reasons for the American cry for independence in 1776.

What life is like inside the ADC Prison in Arkansas

This post discusses what life is like in a hard labor prison in Southern Arkansas. We discuss hoe squads, food, the hole, commissary, dress, fashion, homosexual culture, prison gangs, murders, relationships and other aspects of life when you are sentenced to "Hard Time".

The Hazing of New Employees – A Lost Tradition

Up until the 1980's all companies would haze new employees. Today, we live in a world regulated by the government and policed by Human Resources. We forget how things used to be just a handful of decades ago. Here is my narrative when I started to work.

How to Build a Gallows and a Hangman's Noose

The United States is entering a period of strife. There will be violence. There will be discord and discomfort. It will be an ugly time. There will be winners and losers. It will be painful for the losers, and the victor will need build a gallows. This is how to do so and why it is needed.

Alternative Search Engines instead of Google

America was formed as a Republic. Yet, for many decades we were brought up in the notion that the United States is the greatest “Democracy” in the history of the world. I have my own opinions about that. Democracy is “mob rule”. Let’s talk about it from what I learned in my High School.
